About Us

The White-Wilson Community Foundation, a 501(c)(3) nonprofit, was formed in 2012 by White-Wilson Medical Center to help improve health and wellness throughout the Emerald Coast. Our mission is to positively impact the community through education, collaboration and financial investment. Providing powerful and lasting improvements is at the core of what we do.

- Generating awareness of health and wellness needs by providing education and outreach opportunities.
- Working together with community partners to support health initiatives and increase access to life-changing care.
- Impacting the lives of men, women and children in Okaloosa, Santa Rosa and Walton Counties.
